May 2004 Meeting Announcement

Next Meeting

Wednesday, May 19, 2004 at 7:00 P.M.

Location

Grandview Heights High School
1587 W. 3rd Avenue – 1st floor cafeteria

Jackpot

William Houston's name was called for the \$170 jackpot but, unfortunately, William was not present to win. Names were drawn for a bonus \$50 jackpot and after Curtis Coe's and Rod Riggle's names were drawn but were not in attendance, Bob Barton was the lucky winner of the \$50 bonus jackpot. So, once again, the monthly jackpot should be in that \$170 range! Remember, you must play and must be present to win. Don't miss out on hearing your name called!

Door Prizes

Exciting, valuable door prizes are awarded at every meeting. Winners in April were Nancy Brill, Don Kay, Mike Gunner, and Charles Caldwell.

Coin Show Calendar

Upcoming regional and local coin shows:
Fri-Sun, May 21-23 – 1st Annual Ohio State Numismatic Association Show at Vets Memorial
Sunday, May 30 – Cincinnati Greenhills Show
Sunday, June 6 – Dayton Holiday Inn Show
Friday, June 11 – Washington C.H. at the Fairgrounds
Sunday, June 20, Toledo Blue Ribbon Show

Reminder

As mentioned above, the first Ohio State Numismatic Association Show is being held in Columbus May 21-23 at Vets Memorial. 160 local, regional, and national dealers will be set up. You can participate in a number of ways, by buying and selling raffle tickets, by being a volunteer and, when you're not volunteering, by attending the show. Please see OSNA President Gary Moran. Let's help get the state organizations first show off to a great start!

Auction

Our monthly coin auction will be held at the conclusion of the meeting. A list will be available at the meeting or by sending me an email. If you have any questions about buying or selling this way please contact the bulletin editor.

Coin Quiz

The Gerry Tebben May quiz will be on five-cent pieces. There will once again be a prize to the winner. Do your homework and be ready!

May Educational Program

Art Deisher, husband of Coin World editor Beth Deisher, will talk about insurance and taxes. Collectors face unique tax and insurance problems because their collections may have appreciated substantially in value over the years. Art will discuss how best to insure your coin collection and ways to avoid or lessen taxes, especially in estates. We all need to attend this important discussion.

FYI

As this bulletin is being written, gold closed today at \$376.70 and silver at \$5.71. Wow, what a roller coaster. Hang on for the ride! Which leads to a contest: Bring to the meeting a sheet with your name and where you think gold and silver will close on December 31, 2004. I'll compile the numbers, pass out a list at the June meeting, and we'll see who gets the closest!
